MESSAGE FROM MANAGEMENT

Hello Members of Gold Creek! We are very excited for the opportunities ahead as we start the process of upgrading the property and systems in order to make Gold Creek THE desired fitness, tennis and sports club to our valued members and their guests.

As we move forward, you can expect more clarity on the future of the facility, more consistent communication, and transparency with explanation of our direction as a tennis, fitness and sports facility.

You can look forward to improved facilities, enhanced programming, and updated policies and procedures...all designed to enhance the member experience.

You may have already noticed certain changes with the property. These will continue for the foreseeable future. We will do our best to let the membership know what these changes are and how they would affect you as members. A list of some of these improvements are listed below. You can also look for announcements on our upcoming refresh to our website, our Facebook page, and here in this quarterly newsletter.

Meanwhile, if we have not yet targeted the area that you would like to see upgraded, please be patient with us as we work our way down the priority list. As you can imagine, the list is somewhat extensive.

If I have not met you yet, please say hello when here again so that I can shake your hand and thank you for being a member. I am generally at the club on weekdays from 7:00am – 4:00pm although you may see me here at other times as well. If you have any questions or suggestions, you can also call me at (425) 487-1090, or e-mail me at dkauffman@goldcreektennissports.com

See you at the club!

Sincerely,

Doug Kauffman – Operations Director
